

French courses

Language coaching Business

The Dutch often already have a good command of foreign languages, such as English, German or French, but when it comes to speaking or writing in more complex situations, it becomes more difficult. As a Dutch person, do you want to impress your foreign trade partners? Then get to know our offer "**Language Coaching Business**" in French. This course focuses on the specific wishes of the participant. Is it about presenting, reporting, calling, negotiating, handling complaints, chairing or 'social talk'? Your trainer is always a native speaker, together with him or her you set up a personal coaching trajectory to realize your goals. Individual language training "Language coaching Business" is also available for [other languages](#). Interested? [Enrol](#) for our Language Coaching Business course.

e-Coaching: Professional, individual language support

You have taken training or a workshop to refine your skills in a particular area. Still, you need some more structural feedback. Then get to know our **individual language training "e-Coaching"** for French. The objective of this language training is to improve your objective: this can be a subject that has to do with writing, speaking, reading or listening skills. The goal that has been set is achieved by the targeted feedback on your topic. Individual language training "e-Coaching" is also available for [other languages](#). Interested? [Enrol](#) for our e-Coaching course.
