Level increase for German

You can take part in one of our group language courses through Open Enrolment. The courses are given in small groups of up to nine participants, where everyone has the same starting level. Level increase courses at STE Languages is ideal for learning a language in stages. In these courses the emphasis is on general business language. You work progressively towards a higher level and complete the course with a test. Once you pass the test you can take part in a course at a higher language level.

The Level increase for German can be attended once a week. Starting dates are in January, April, June, September and November. You can view all our scheduled [Open Enrolments](#) here.

Conversation course German

Would you like to learn to speak better German in a short time frame? Have you mastered the language in general but feel that you are still often searching for the right words? Then increase your speaking skills with a conversation course. In just 8 weeks you will be able to improve your language skills and language confidence.

Regular **language training** courses focus on speaking, listening, reading and writing. In a conversation course the emphasis is on **speaking skills** and fluency and that is exactly what can make the difference in daily practice. Our trainers are native speakers who can help you to really understand a language. Learn to listen better and speak more fluently, so that you can start every conversation with confidence.
