### Level Increase English

English group training is an ideal way to take your English to a higher level.

In this interactive and communicative course, the focus is primarily on speaking, grammar, and vocabulary. In addition, you work specifically with your trainer and your group on the reading, writing, and listening skills that you want to improve further. As well as the course material, there is an extensive range of challenging online exercises and an accessible app. In short, a group course with scope for individual requirements.

- ✓ Lessons are held once a week, in the **evening**
- ✓ **Small groups** - a maximum of 9 students
- ✓ Close attention to the **individual** student
- ✓ **Interactive** and **communicative** lessons
- ✓ Lots of extra online teaching materials and a **mobile app**

## Level Increase German

The German group course is an ideal way to learn and improve the German language step by step. You follow training in a small group, a maximum of 9 students, where everyone has the same starting level. The emphasis is on general German at the lowest level (A1) and at the higher levels on business language (A2 and B1). You gradually work towards a higher level and conclude the training with a test. On successful completion, you will have the opportunity to move on to the next level.

- ✓ Lessons are held once a week, in the **evening**
- ✓ **Small groups** - a maximum of 9 students
- ✓ Aimed at both **general** and **business** language

The German group training courses have no fixed starting dates/times but start as soon as there are sufficient enrolments.

## Conversation Training

In conversation training, you can learn to **speak** better Dutch, English or German in a short timeframe. Over 8 weeks, you work specifically on better proficiency and more **self-confidence**. In regular training, attention is divided between speaking, listening, reading, and writing. Conversation training focuses on speaking skills, which can make a big difference in **daily life**. Our trainers are native speakers who help you to really understand a language. Learn to listen better and speak **more fluently**, so that you can handle any conversation with self-assurance.
