

### Dutch at your own level

Would you like to learn to speak better Dutch and communicate with more ease? Would you like to move on to the next level but perhaps you're still unsure of your grammar? You might have an exam coming up and need help with parts of it? Then our individual language training '**Dutch at your own level**' is perfect for you. With this training you can train a specific skill in a short time. Interested? Then [enrol](#) quickly.

### Language coaching Business

The Dutch often already have a good command of foreign languages, such as English, German or French, but when it comes to speaking or writing in more complex situations, it becomes more difficult. As a Dutch person, do you want to impress your foreign trade partners? Then get to know our offer '**Language Coaching Business**' in [English](#), [German](#), [French](#) and [Spanish](#). This course focuses on the specific wishes of the participant. Is it about presenting, reporting, calling, negotiating, handling complaints, chairing or 'social talk'? Your trainer is always a native speaker, together with him or her you set up a personal coaching trajectory to realize your goals.

### e-Coaching

You have taken training or a workshop to refine your skills in a particular area. Still, you need a little more structural feedback. Then get acquainted with our **individual language training 'e-Coaching'** for [Dutch](#), [English](#), [German](#), [French](#) and [Spanish](#). Individual language training 'e-Coaching' is also available on request for [other languages](#). The objective of this language training is to improve your objective: this can be a subject related to writing, speaking, reading or listening skills. The goal that has been set is achieved by the targeted feedback on your topic.

When you are interested or you need more information or have questions, please contact us via one of the options listed at the bottom of this page.
