

Dutch Nt2 for the Highly Educated (Level Improvement)

The group course *"Dutch Nt2 for the Highly Educated"* is ideal for expats and international students who want to learn Dutch quickly. Together with fellow students of the same level, you will gradually work towards higher language proficiency. You need 30 hours to advance. Upon successful completion, you can progress to the next level. You determine the length of the language programme and the target level yourself.

- Group training with fixed schedules
- General skills training aimed at level improvement
- Lessons once, twice, or three times a week (including Saturdays)
- Small groups of up to 11 students
- Both face-to-face and online

Dutch Nt2 for Intermediate Education Levels (Level Improvement)

STE Languages' group course *"Dutch Nt2 group course for intermediate education levels"* is specifically designed for international employees who want to learn Dutch. You need 30 hours to improve your level. This language training is practical and job oriented. The training is ideal for employees in production, technology & installation, cleaning, healthcare, logistics, and hospitality. Because employees often work shifts, they can attend this course on Saturdays.

- Group training with fixed schedules
- Lessons once or twice a week (including Saturdays)
- Small groups of up to 11 students
- Practical lessons
- Focused on the needs and talents of this target group
- Individual student focus
- Both face-to-face and online

- Increase your confidence and effectiveness in any business situation

German Language Improvement for Highly Educated Students

This group course is a great way to either learn or improve the German language step by step. You'll participate in a small group of up to 11 students, with everyone at the same starting level. The focus is on general German at the lowest level (A1) and on business language at the higher levels (A2 and B1). You'll gradually work your way up to a higher level and conclude the course with a test. Upon successful completion, you have the option to progress to the next level. You need 30 hours to advance.

- Small groups, personalised feedback
- Top-quality materials from renowned publishers
- Lessons once a week in the evenings
- Individual student focus
- Focused on both general and business German

Business German for Highly Educated Students

The Business German course is compact, practical, and immediately applicable. Do you want to quickly speak German confidently in the workplace? This new language course offers you the most important vocabulary and expressions for the office in just 16 lessons. Each lesson focuses on one topic, allowing ample time for speaking exercises and realistic role-playing. You'll learn not only the words you really need, but also how to avoid the typical mistakes Dutch people make in German. This way, you'll avoid misunderstandings and make a professional impression on colleagues and business partners. Compact, targeted, and immediately applicable – ideal for busy professionals who work with German clients or colleagues.

- Small groups, personal feedback
- Top-quality materials from renowned publishers
- Lessons once a week in the evenings
- Individual student focus
- Focused on both business German and

The German group courses do not have fixed start times. They start as soon as there are enough registrations.

Conversation Training

With conversation training, you'll quickly learn to speak Dutch, English, or German better. In just 8 weeks, you'll focus on improving your language proficiency and increasing your language confidence. While regular language training addresses speaking, listening, reading, and writing, conversation training focuses on speaking skills, which can make all the difference in everyday life. Our trainers are native speakers who will help you really understand a language. Learn to listen better and speak more fluently, so you can confidently engage in every conversation.

Language Boost

Would you like to develop a specific skill in a short time? Discover our individual and group *"Language Boost"* courses in various languages. Our offerings include an individual *"Language Boost for Business"* in Dutch, English, German, French, Spanish, Portuguese, Chinese, and Korean.

Exam Training

Are you subject to the civic integration requirement, do you want to study vocational (MBO), higher professional (HBO), or a university education in the Netherlands? Or do you, as an expat, want to apply for a permanent residence permit, for example? Then you will need to successfully complete a Civic Integration Exam or State Exam. STE Languages offers special exam training to ensure that you are best prepared.
